In order to qualify for the ***In Parish*** rate, you/your family MUST be a registered and practicing Catholic(s) and an identifiable contributing member(s) of St. Joseph Parish (this is easiest to confirm by use of parish offertory envelopes, or by use of checks for offertory tithings).

Students from other Catholic parishes may qualify for the ***In Parish*** rate through a signed and approved ***Out of Parish Form*** from their parish pastor which confirms their family is a registered and contributing member of that parish, and thereby agrees to pay the student subsidy for the 2017-2018 school year.
