NEWSLETTER

Page 1 of 3

Dear Parents,

The Auction is upon us, and we've been busy getting everything ready! Our decorating committee has been busy with place settings, centerpieces and silent table accents. Our catalog is at the printer as we speak. Our auctioneer is warming up his voice. Our parents are busy baking for the big Dessert Dash. And our development director is handling every detail that comes before her. We are ready for the Big Event!

This newsletter is designed to give you a preview of what's ahead. Do you have your tickets? Will you be joining us? Act now to claim your spot, if you'd still like to come! And stay tuned for some of the gems that await you as we focus on the wonderful items that our families have procured for us.

It takes a village to raise children in such a complicated world. It also takes a village to bring such a grand event together seamlessly. Thank you to all who have dedicated their time and talents to such a great cause. Our students and families are in your debt.

Sincerely,

Deb Dewar,
Principal
